

HELLO EVERYONE

I am Rajpreet singh sekhon . I belong to village chhapar , district (Ludhiana).

In present i am studying in btech computer science in first year in Guru nanak dev engineering college (Ludhiana).

INDTRODUCTION OF GURU NANAK ENGINEERING COLLEGE (LUDHIANA)

Guru Nanak Dev Engineering college is best engineering college in punjab . They provide more practical knowledge rather than theoratical . On that view i can choose that college for make my future better and gloryfull .

EXCEL

I recently passed my excel course from great learning platform to glorify my skills.I can give you the overview of the excel.

INTRODUCTION TO MICROSOFT EXCEL

Microsoft Excel can be used for data entry , manage the data , hold the purchasing of the company , store all the data strongly etc.Microsoft Excel provide so many formulas function like (SUM , FIND , MIX , MIN , REPLACE etc).I gain a knowledge about how to entry the data in excel and how to use pivort chart to separate the data and provide a suitable table for that .

So i can made my words limited that is my EXCEL CERTIFICATE.

EXCEL CERTIFICATE
